

Equine Facilitated Learning (EFL)

Expanding our Equine Knowledge

Ebony Cox Equine Services (ECES) was founded to assist, develop knowledge and Support others. ECES focuses on horse-human interactions, the benefits that they have on each other, horse health and nutrition, management, and care.

Equine Facilitated Learning (EFL) +

ECES provides an engaging, safe, all-inclusive environment for children, youth & adults who are participants of the NDIS, this service is offered through Functional Occupation Therapies & Supports (FOTS), for all types of abilities to have positive interactions with horses, where they can learn about their own individual self and be accepted, a scientifically designed EFL framework & program.

EFL Supports

- ◆ Children, Youth & Adults (All Ages)
- ◆ Available to Disabilities, Mental Health, Personal Development & Growth.
- ◆ NDIS Welcome—Goal Orientated, Focus Attributes & Overall Objectives .
- ◆ Scientifically created Framework & Programs.
- ◆ Fun, engaging, goal orientated, skill building, emotional awareness, and behaviour support.
- ◆ Fully Insured, Trained & Qualified staff.
- ◆ All staff are appropriately trained for the Job, all of our handlers undergo a thorough training program to ensure the safety of the participant, the horse, and the staff.
- ◆ Welcoming & Supportive staff who love horses, horse human connections, and believe that Equine Facilitated Learning is everything and more.
